

Disconnect Services

Name: _____

Service Address: _____

Forwarding Address: _____

Cell Phone: _____ Account #: _____

Email: _____

Effective requested service disconnect date: _____

If you have our IPTV cable service all set top boxes, power cords, remotes need turned back into our office or your account will be charged for the unreturned equipment. This is the only equipment needing turned back into the office. If you've purchased a router from us that is your property to keep. If you have a credit on your account a check will be issued to your forwarding address after 3 months of disconnected service.
